Minnesotans Have Spoken

We have heard from you: our health care system is broken. Even *with* insurance, many have trouble affording necessary care. Losing insurance coverage is a very real concern. And for those who are without health insurance, the stories get even worse.

Legislators Must Act

We have proven solutions to our health care mess in hand. Come join us in the town hall meeting. We will tell you about the Minnesota Health Care Act that would provide quality, affordable, comprehensive health care to all Minnesotans through all stages of life.

REAL HEALTH CARE REFORM

- All Minnesotans covered
- Pre-existing conditions covered
